## IN SOLID BEECH

- An extensive range of hand-carved architectural timber components and mouldings, suitable for bar fitting, shop fitting, specialist joinery and bespoke furniture.
- The complete range is made from top quality European beech, which has been sourced from FSC certified forests.
- All designs are exclusive to Andy Thornton Ltd.
- Hand-carved by skilled craftsmen.
- Beech can be stained and polished to match most wood finishes.
- CAD files can be downloaded from our website (dwg).
- Available from stock.
