BESPOKE FURNITURE

Whether we are working to a specific brief or simple sketched idea, our product designers will develop working solutions for your bespoke furniture requirements. We manufacture much of our standard furniture range, so are able to supply high quality one-off pieces to exacting standards.

We offer a complete range of special finishes and can upholster in any fabric or leather. We can also source specific product designs from our extensive international network of furniture suppliers.

FIXED SEATING

Andy Thornton manufactures and installs fixed seating for bars, restaurants, cafes, pubs and hotels. Be it banquette, booth, bench or island units we can supply straight or curved units to any height and shape and offer a full range of back designs, including plain, fluted, panelled and button back.

Working closely with you, we offer an initial site survey and consultation meeting to ensure we can provide a customised service and help with choosing the best design for your interior. We upholster in any fabric, leather or vinyl and all our frames are guaranteed for 10 years.

TRADE SHOWROOM

Our world famous showrooms in Greetland, near Halifax, house the largest range of hospitality interior and retail design products in the UK, with 40,000 sq ft of permanent displays and room sets. In this, our 40th year in business, we have invested heavily to bring the showroom bang up to date.

Most of our extensive ranges of contract furniture and decorative lighting are on display, alongside stunning pieces of architectural antiques such as vintage bars and shop counters and the quirkiest props you can imagine.

Visitors also have the opportunity to tour our extensive manufacturing facilities, see furniture being made and finished and metalwork structures such as entrance canopies and shelters fabricated.

Please get in touch to confirm your visit, that way we can ensure the most relevant sales contact will be on hand to look after you on the day.
